

# Click Clack (Bickershaw Festival, UK 7/5/1972)

## Captain Beefheart & His Magic Band

Two trains, two railroad tracks  
One goin' 'n' the other one comin' back  
There goes my baby on that ole train  
I say come back, come back, baby, come back  
Click clack, click clack There's my baby wavin' her handkerchief down  
My cars stand up when I hear that sound  
This time it sound like it's for keeps  
Click clack, click clack I get down on the ground with the gravel around  
I pray t' the Lord that the train will stop  
Turn right around 'n' never stop  
Till it drop my baby off  
Now I had this girl threatened  
'N' leave me all the time  
Maybe you had uh girl like that  
I-yuh all time cryin' Well, I had this girl threatened  
'N' leave me all the time  
Threatenin' t' go down t' N'Orleans-uh  
'N' get herself lost 'n' found Maybe you had uh girl like this  
She's always threatenin' t' go down t' N'Orleans  
'N' get herself lost 'n' found C'mon. I'll play it for yuh  
Lemme tell yuh 'bout it  
Lemme tell yuh 'bout it There were two railroad tracks  
Click clack, click clack  
One ah them leavin'-uh  
'N' the other one comin' back  
I was two years from yuh baby  
You were goin' way up the tracks  
The train was leavin'-uh  
I could see yuh wavin' your handkerchief
