What a Wonderful World (with Kenny G)

Louis Armstrong

I see trees of green Red roses too I see them bloom For me and for you And I think to myself What a wonderful worldI see skies of blue And clouds of white The bright blessed day The dark sacred night And I think to myself What a wonderful world The colors of the rainbow So pretty in the sky Are also on the faces Of people going byI see friends shaking hands Saying, "How do you do?" They're really saying "I love you" I hear babies cry I watch them grow They'll learn much more Than I'll ever know And I think to myself What a wonderful world Yes, I think to myself What a wonderful world Oh yeah Song Discussions is protected by U.S. Patent 9401941.
