

Touch My Hand

David Archuleta

Saw you from the distance
Saw you from the stage
Something 'bout the look in your eyes
Something 'bout your beautiful face
In a sea of people
There was only you
I never knew what this song was about
But suddenly now I do
Trying to reach out to you
Touch my hand
Reach out as far as you can
Only me, only you, and the band
Trying to reach out to you
Touch my hand
Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over
I'll never see you again
Can't let the music stop
Until I touch your hand
Cause if I do it'll all be over
I'll never get the chance again
I'll never get the chance again
I'll never get the chance again
I see the sparkle of a million flashlights
A wonder wall of stars
But the one that's shining out so bright
Is the one right where you are
Trying to reach out to you
Touch my hand
Reach out as far as you can
Only me, only you, and the band
Trying to reach out to you
Touch my hand
Can't let the music stop
Can't let this feeling end
Cause if I do it'll all be over
I'll never see you again
Can't let the music stop
(Oh no!)
Until I touch your hand
Cause if I do it'll all be over
I'll never get the chance again
I'll never get the chance again
Saw you from the distance
Saw you from the stage
Something 'bout the look in your eyes
Something 'bout your beautiful face
Can't let the music stop

Can't let this feeling end
Cause if I do it'll all be over I'll never see you again
Can't let the music stop
Until I touch your hand
Cause if I do it'll all be over
I'll never get the chance again
I'll never get the chance again
Trying to reach out to you
Touch my hand, (I'll never get the chance again)
Reach out as far as you can, (I'll never get the chance again)
Only me, only you, and the band
Trying to reach out to you
Touch my hand
Yeah, yeah
