

Spoil You

Alkaline

(well well well well)x2
Spoil you
(yellow moon)x2
(yeah yeah)
Bounce fimi bounce fimi nuh
rest u standard pon e grung fimi nuh
tek it off, draw e dung fimi nuh
Baby just mek me spoil you, get u anything u like
long as u alright then me alright
mi know u mad thats y me like u, two a we mad alike
plus u bumpa have di proper size
yuh back it up, me deh behind yuh
me slap it, it mek a noise
snap a random picture she pretty pon every side
mek mi spoil you.skin clean thivk thighs
plus she bright so me nav a choice(well well well well)
Mi dash weh money pan gyal every dime
dem kiss dem teeth n pick up every dime
but mi nuh know mi nuh know mi sumn see ina u n me feel mi fi falla mi mind
Godd know a good woman so hard fi find
dem seh dem love den tun round n give u dog a shine
But baby that annuh you
Cuz any man you give the fuck haffi honor you
Spoil you but we annuh things friends
From me see yuh the first time
Wha fuck yuh since then
Jah know
Yuh tight dress have me inna suspense
Me woulda mash up if yout tell me seh we fi be just friends
God know
Really wha fi be the one fi mek yuh life happy
Give you yuh regular cocky
Travel the world, who fi stop we
Noone
Mother rate mi, brother, sister everybody
But the father don't like cah him hear she call me daddy
Oh well
Spoil you
Get yuh anything you like
Long as you alright then me alright
Me know yuh mad that's why me like you
Two ah we mad alike

Plus yuh bumpa have the proper size
You back it up me deh behind you
Just fi watch you have a vibe
Snap a random picture she pretty pan any side
Mek me spoil you
Real man inna yuh life
Plus she bright so me na have a choice
Well Well Well WellGlow my baby glow my baby
New man inna yuh life and it a show my baby
Whole heap a plas me have fi yuh my baby
Until me get me first born a you my baby
All that, yeah she all that
And she keep me calm so me never go off track
More han me girl me nuh know what fi call that
And me nuh see none a mi ex whey me woulda wha back
Whey yuh like?
Better yet, weh yuh love?
Too pretty fi tan inna house
Go, get yuh stuff
Under the moon light, just me and you
Strikers at a distance cah you know how di sitn go
And if you drop me pick you up
Me back you up and stick you up
Beat you with di lumber pan yuh flesh till you give up
Mek you feel special all yeaer round
And a nuh only when yuh birthday come
Grab on pan meBaby just mek me spoil you
Get yuh anything you like
Long as you alright then me alright
Me know yuh mad that's why me like you
Two ah we mad alike
Plus yuh bumpa have the proper size
You back it up me deh behind you
Me slap it, it mek a noise
Snap a random picture she pretty pan any side
Mek me spoil you
Skin clean thick thighs
Plus she bright so me na have a choice
Well Well Well Well
