

Live for Today

Natalie Grant

Na na na na na na
na na na na
na na naSittin' in my room
Staring at the wall
Wonderin' about the meaning of it all
Why is it this thing called life has got me goin' crazySo I open up Your word and let it speak to
me
The purpose and the planet You've designed is clear to seeI'm gonna live
For today
I'm gonna follow in Your way
I'm gonna let my little light shine like there's no tomorrow
I won't worry 'bout the past
I know my future is in tact
So I'll choose to live my life one way
I'm gonna live it for today
You told me not to worry 'bout what lies ahead
So I am gonna focus on today instead
Makin' every moment count, and countin' every single blessing. yeah
Gonna set my mind on the here and the now
This is what I want my life to be about
And this is howI'm gonna live for today
I'm gonna follow in Your way
I'm gonna let my little light shine like there's no tomorrow
I won't worry 'bout the past
I know my future is in tact
So I'll choose to live my life one way
I'm gonna live it for today
My oh so crazy life
Has got me spinnin' around and 'round
Hangin' upside down
Takin' one step at a time
Holding Your hand all the way
And it'll be ok
Yeah, yeahLive for today
Followin' your way
I will follow youLivin' for today (yes I am)
Livin' for today (I won't turn back now)I'm livin' for
Livin' forI'm gonna live for today
I'm gonna follow in Your way
I'm gonna let my little light shine like there's no tomorrow
I won't worry 'bout the past
I know my future is in tact

So I'll choose to live my life one way
I'm gonna live it for today
