## Black Eyed Peas & Shakira

Ayy, yeah  
Ayy, ayy So they tell me that you lookin' for a girl like me  
So they tell me that you lookin' for a girl like me  
Ah-ah-ah, you're lookin' for  
A girl like me La-La-Latinas (Eh)  
I want a girl like Shakira, eh  
Esa latina está rica (Ah)  
I want a familia chica que sepa vivir y que viva la vida  
I need a bien bonita (Wuh)  
Elegante señorita (Wuh)  
Girl, I want you and I need ya  
All of my life, yup, baby, let's team up  
I want a girl that shine like glitter (Ping)  
A girl that don't need no filter  
The real for real  
A girl that's a natural killa (Prr)  
I wanna go, danza, gira (Ha)  
Caliente on the meet up (Ha)  
Yo quiero, mira, yo quiero  
Una chica que no me diga mentiras  
So they tell me that you lookin' for a girl like me  
So they tell me that you lookin' for a girl like me  
Ah-ah-ah, you're lookin' for  
A girl like me  
Oye, mami, estoy buscando una chica así  
Oye, mami, estoy buscando una chica así

Your hips don't lie, they rock me  
Baby, come get me, you got me  
Oye, mami, ven aquí  
You know I'm liking what I see  
Muévelo, muévelo, muévelo así  
Yo quiero una mujer  
Una princesa no tiene pa' ver

Esa chick with no boundaries like that fue what ev'  
Buena en la cama, she good in the bed  
A girl that been using her head (Her head)  
To use the cabeza, the best  
I want a girl who the diva

So they tell me that you lookin' for a girl like me

Baby, you know I need no filter  
For real, I'm real

Like it, my lips are so glossy  
Like it, my neck is so brushy  
Baby, if you do it my way  
Just for the hell of it I if you love me Latinas, latinas  
Sha-Sha-Shakira it up, Sha-Sha-Shakira it up I like latinas  
Once you look like Celina  
Shake your bunda like Anitta  
Morena estás más fina  
I like dominicanas  
Boricuas and colombianas  
In East L. A. I like the chicanas  
And NY want a piece of the big manzana, eh So they tell me that you lookin' for a girl like me  
Oye, mami, estoy buscando una chica así  
Ah-ah-ah, you're lookin' for  
A girl like me Me llevas en tu mente  
Soy adictiva como el azúcar  
Me buscas permanentemente  
¿No ves que solo quiero jugar?
