Big Night

Cheeseburger

When I walked into the movie I was walking alone I looked at the picture You know I'd seen the whole thing beforeCan you believe it? Man bites dog in the end Take it or leave it It's just another big night down the drain Oh no Another big night down the drain Oh noSummer is over Me? I spent the whole thing inside I'm thinking it over What did you call it 'cause I couldn't decide I called my momma She said, "Jimmy why you always complain?" Life is a bummer It's just another big night down the drainOh no Another big night down the drainOh noUp on the bridge Outta my head I can see my house from hereAm I a man Or am I a mouse? Ch-ch-check it outIt's just another big night baby Now you know I don't mean maybe It's just another wasted moment It's just another sad sack song and It really hurts, don't it? And it really hurts, don't it? It's just another big night baby Big night down the drain Oh no Another big night down the drain Oh no Another big night down the drain Oh no Another big night down the drain Song Discussions is protected by U.S. Patent 9401941.
