

Hercules

Paul Weller

All we fear, is fear itself
Check out your own backyard before you check out someone else
Railroad track, in my neighbourhood
Ain't no trains around this place, just ain't no good
And all I know, is what's going down,
When the dealer on the corner looks like the sharpest cat in town
Jungle rule, can't be no fool
Might get caught by the hook or crook, no time for cool
Look out kid, what you did, what you
carrying brother
I hope you're clean cause the man is mean, don't come another further
We all know the answers,
must come out in time
I might even carry some of your load, right along with mine
Thank you ma'am, mister please
but I must be Hercules
I must be Hercules
Like a bird, on the wing
I just wanna be free enough to do my thing
I can feel the pressure, from every side
If you don't wanna help, don't hurt, just stand aside
We all know the answers, must come out in
time
I might even carry some of your load, right along with mine
Thank you ma'am, mister please
but I must be Hercules
Hercules
oh Hercules
Hercules
I must be Hercules
Got your feet, in the sand
Got to be down with the cats in town, but still got the face the man
Talk about me if you please but I must be Hercules
Hercules
oh Hercules
Talk about me if you please but I must be Hercules
must be Hercules.
