

# Who Can Say Which Way

Lucas Santtana

Ice burning up  
Bombs making cash  
Food fighting starts  
Get out of hand  
It's all mixed up  
Free copy machine  
Count me inGo, go, go, goWho can say which way  
Go, go, go, goWho can say which wayGo, go, go, goGo, go, go, goIce burning up  
Bombs making cash  
Food fighting startsGet out of hand  
It's all mixed up  
Free copy machine  
Count me inGo, go, go, goWho can say which wayGo, go, go, go  
Who can say which wayWho can say which wayGo, go, go, goWho can say which way
