

# Blinded By the Light

## Manfred Mann's Earth Band

Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Madman drummers bummers,  
Indians in the summer with a teenage diplomat  
In the dumps with the mumps as the adolescent pumps his way into his hat  
With a boulder on my shoulder, feelin' kinda older,  
I tripped the merry-go-round  
With this very unpleasin', sneezin' and wheezin',  
the calliope crashed to the ground  
The calliope crashed to the ground  
But she was...  
Blinded by the light,  
revved up like a deuce,  
runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Some silicone sister with a manager mister told me I go what it takes  
She said "I'll turn you on sonny to something strong,  
play the song with the funky break"  
And go-cart Mozart was checkin' out the weather chart to see if it was safe outside  
And little Early-Pearly came by in his curly-wurly and asked me if I needed a ride  
Asked me if I needed a ride  
But she was...  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light  
She got down but she never got tired

She's gonna make it through the night  
She's gonna make it through the night  
But mama, that's where the fun is  
But mama, that's where the fun is  
Mama always told me not to look into the eye's of the sun  
But mama, that's where the fun is  
Some brimstone baritone anticyclone rolling stone preacher from the east  
Says, "Dethrone the dictaphone, hit it in it's funny bone,  
that's where they expect it least"  
And some new-mown chaperone was standin' in the corner,  
watching the young girls dance  
And some fresh-sown moonstone was messin' with his frozen zone, reminding him of romance  
The calliope crashed to the ground  
But she was...  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light,  
revved up like a deuce,  
another runner in the night  
Blinded by the light  
Madman drummers bummers, Indians in the summer with a teenage diplomat  
In the dumps with the mumps as the adolescent pumps his way into his hat  
With a boulder on my shoulder, feelin' kinda older,  
I tripped the merry-go-round  
With this very unpleasin', sneezin' and wheezin,  
the calliope crashed to the ground  
Now Scott with a slingshot finially found a tender spot and throws his lover in the sand

And some bloodshot forget-me-not said daddy's within earshot save the buckshot, turn up the  
band

Some silicone sister with a manager mister told me I go what it takes  
She said "I'll turn you on sonny to something strong"
