

# Silhouette (feat. Ellie Goulding)

## Active Child

Giving this world everything I've got  
Running through the woods, running through these shots  
Trying to survive a day  
And all I want is that you extend your hand to me  
Sitting outside waiting for the words to come  
Living my life tryna do what's right,  
And hope of a better day  
You know those words you wrote me brought me to my knees  
All I'm saying is that  
You're home, you'll never be alone  
You're home, you'll never be alone  
You're home, to be alone  
You're home, I can find your way home  
Sitting outside waiting for the world to call  
Living our life tryna do what's right  
And hope of a better day  
And all I want is that you extend your hand to me  
Oooh, show me where it hurts, "and will you make it ok?"  
Tell me that you'll stay  
Ooh, Even when I'm far away  
My voice will carry through  
Until the end it's me and you  
We can make it if we try  
All that I'm saying is that  
You're home, you'll never be alone  
You're home, you'll never be alone  
You're home, to be alone  
You're home, I can find your way home  
(You're never gonna be alone x2) YOU'LL NEVER GONNA BE ALONE...
