## John Butler Trio

I could be loud man, I could be silent  
I could be young man or I could be old  
I could be a gentleman, or I could be violent  
I could turn hot man or I could be cold  
I could be just like the calm before the storm boy  
Waitin' for all hell yeah to break loose  
I could be innocent or I could be guilty  
Doesn't mean that I don't believe in the noose  
So I'm singing ...

(La bom bom bom bom, bom bom bom bom, bom bom bom bom bom ect) I could be rich like a  
wandering gypsy

I could be poor like a fat wallet lost  
I could be the first man or I could come last  
It's not who breaks the ribbon boy it's how you get across  
I could be red, blue, black or white sunset  
Darkest at day boy or brightest at night  
I could be the sun boy or I could be the moon  
I'm made up from the stars, yeah I'm shining so bright  
So I'm singing...

I could be asleep boy, or I could be awake  
I could be alive man or be the walking dead  
I could be ignorant or I could be informed  
I could lead my life man or I could be lead  
I could be anything I put my mind to boy  
All I gotta do is give myself a half-a chance  
I could bring love back into my life  
And share it with the world if I got some balance(LA DA DA DA DA ect)
