

Runnin' (feat. Yeek)

UMI

Runnin':

No sunsets on a rainy day
I'm cuddled up with you baby bae
I'm lonely
Been a crazy day
Working overtime
Don't know what to say To you
I came up on some new
I know I shouldn't be blue
But I was running out of time for you
No crying on a sunny day
Thought I left you there
I was running late
Your lonely
Been a crazy day loosing track of time
Think I lost my way
To you
I came up on some new
I know I shouldn't be blue
But I was running out of time for you For you
Cuz I was running out of time for you
