Potters Field

Anthrax

I was told to love you

I was told to try

I was born to save you

I was born to dieI'll always be your scapegoat

You'll never take the blame

You never had a chance

It was your soul to saveI am your one night nightmare

Pain is all you see

The blood is on your hands

I hope you're proud of me

I was told to love you

I learned how to hate

I was born to save you

Your choice became your fateYou can't take care of yourself

How could you care for me?

I am your retribution

When is my soul free? I never asked for mercy

You told me to forgive

The blood is on your hands

I hope you're proud of meAnd what I've done to set you free I can barely hold myselfFascination, stimulation, stronger as I learn

By his hand, I understand

I was told to burn

Bastard son, your saving grace

Left alone, I found my place

I find love in what I steal

You should've let me rest in Potters Field

I was told to. I was told to...Your beliefs turned me into this

Bite the hand that feeds, you're so selfish

Thank you mother, for giving me this life

I'll bring down the rapture

Then we'll see who liesFascination, stimulation, stronger as I learn

By his hand, I understand

I was told to burnBastard son, your saving grace

Left alone, I found my place

I find love in what I steal

You should've let me rest in Potters Field

I was told to. I was told to.

I was told to. I was told to...

Stop it
