

Feenin'

Jodeci

Secret Session
Take my money
My house and my cars
For one hit of you
You can have it all, baby 'Cause makin' love
Everytime we do
Girl, it's worse than drugs
'Cause I'm an addict of you
And you know that I can't leave you alone
You got me feenin'
(Got me goin' crazy)
I can't leave you alone
You got me feenin'
Girl, I'm feenin' for you
(Said, I'm feenin' for you)
I don't ever mind
It's all blown on you, baby
Girl, I'm so strung out
All I do is wish for you
So tomorrow if you're not here
Then, girl, I'm down, so I need you near
I just wanna make it through the night
So hold me tight, then girl I'm alright
I can't leave you alone
You got me feenin'
(Girl, you got everything that I need)
(Got everything that I need)
I can't leave you alone
You got me feenin'
Girl, I'm feenin' for you
Lady I'm hooked on you
(Girl, I'm hooked on you)
There's nothing else I'd rather do
(Nothing else I'd rather do)
Spend my last dime
(All of my money)
For a drop of your time
(And you know, oh) Cause your the girl without a doubt
(without a doubt)
You know you got me strung out
And I need you more and more
'Cause you are my joy
(My joy, joy, joy) You got me feenin'
(You got me feenin')
(You got me feenin', yes you do) I can't leave you alone

You got me feenin'
(You got me goin' crazy, baby)
Girl, I'm feenin' for you
(You got me goin' crazy, baby)
I can't leave you alone
You got me feenin'
(I said you got me feenin')I can't leave you alone
You got me feenin'
(Girl, you got me goin' crazy)
Girl, I'm feenin' for you
(Girl, you got me goin' crazy)
I can't leave you alone
