

Next to You

The Police

I can't stand it for another day
When you live so many miles away
Nothing here is gonna make me stay
You took me over, let me find a way I sold my house, I sold my motor too
All I want is to be next to you
I'd rob a bank maybe steal a plane
You took me over think I'm goin' insane What can I do
All I want is to be next to you
What can I do
All I want is to be next to you I've had a thousand girls or maybe more
But I've never felt like this before
But I just don't know what's come over me
You took me over, take a look at me
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you All I want is to be next to you
All I want is to be next to you
All I want is to be next to you I saw my doctor he said give it time
I got this feeling, gonna lose my mind
When all this is just a love affair
You took me over baby, take me there What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you
What can I do
All I want is to be next to you All I want is to be next to you
All I want is to be next to you
All I want, next to you, next to you
Next to you, next to you
