

Mercury

Sufjan Stevens, Bryce Dessner, Nico Muhly & James McAlister

All that I've known to be of life
And I am gentle
You ran off with it all
And I am faithful All that I felt within my arms
And I am weightless
You ran off with it all
And I am speechless All that I said to get it right
And I am confident
You ran off with it all
And I am steadfast All that I thought to be precise
And I am consequence
You ran off with it all
And I am sorry
And I am sorry
All that I've known to be at peace
And I am desperate
You ran off with it all
And I am restless All that I've known to be of love
And I am gentle
You ran off with it all
And I am desperate All that I dream
Where do you run, where do you run to?
And I am evidence All that I dream
Where do you run, where do you run to?
And I am faithless All that I dream
Where do you run, where do you run to?
Now I am messed up
All that I dream
Where do you run, where do you run to?
Carrier, friend
Where do you run?
