## The Picture (Francois Kevorkian 12" Remix)

## **Hubert Kah**

Don't know how I'm gonna tell you this Now I'm feeling so confused And I know you'll be mad If you could look at my eyesBack at home where I belong Back at home it seemed so wrong To be cheated again My fair lady loves me so well She'll forgive me When she took a look in my eyes She saw a picture of you Maybe you were her in disguise And I was never untrueSurely you will understand I must take my life in hand And forget all of it You don't need me hangin around Love is waitingWhen she took a look in my eyes She saw a picture of you Maybe you were her in disguise And I was never untrue(In my eyes, in my eyes) When she took a look in my eyes She saw a picture of you Maybe you were her in diguise And I was never untrueWhen she took a look in my eyesMaybe you were her in disguise
