Dance with My Father

Luther Vandross

Back when I was a child Before life removed all the innocence My father would lift me high And dance with my mother and me and then Spin me around till I fell asleep Then up the stairs he would carry me And I knew for sure I was lovedIf I could get another chance Another walk, another dance with him I'd play a song that would never ever end How I'd love love love, to dance with my father again When I and my mother would disagree To get my way I would run from her to him He'd make me laugh just to comfort me(yeah, yeah) Then finally make me do just what my momma said Later that night, when I was asleep He left a dollar under my sheet Never dreamed that he would be gone from meIf I could steal One final glance One final step One final dance with him I'd play a song that would never ever end Cause I'd love love to dance with my father againSometimes I'd listen outside her door I'd hear how my mother cried for him Sometimes I'd listen outside her door I'd hear how my mother cried for him I'd pray for her even more than me I know I'm praying for much too much But could you send back the only man she loved I know you don't do it usually But dear Lord she's dying to dance with my father again Every night I fall asleep And this is all I ever dream Song Discussions is protected by U.S. Patent 9401941. Other patents pending.
