John Denver

Here I am closing my eyes again  
Trying so hard not to see  
All the things that I see  
Almost willing to lie again  
I swear that it just isn't so  
It just isn't me We are never alone  
Even though we'd like to be The I go and open my eyes again  
Love in your eyes is the thing  
That I'd most like to see  
I'd be willing to die again  
To know of a place and a time  
Where it always could be  
To be always with you  
And you always with me This is my autograph  
Here in the songs I sing  
Here in my cry, in my laugh  
Here in the love that I bring To be always with you  
And you always with me Say a prayer and open your heart again  
You are the love and the life  
That we all need to see  
Always willing to shine and then  
Peace on this earth is the way  
That it always can be To be always with you  
And you always with me  
This is my autograph  
Here in the songs I sing  
Here in my cry, in my laugh  
Here in the love that I bring To be always with you  
And you always with me
