

# Ooh Ahh

## Danity Kane

### Chorus

Can't take it when you put your loving on me  
You make me say ooh when you touching on me  
Don't know what to do when you give it to me  
You make me say ooh ahh ooh ahh  
Can't take it when you put your loving on me  
You make me say ooh when you touching on me  
Don't know what to do when you give it to me  
You make me say ooh ahh ooh ahh

Verse 1(Shannon)

Kiss for a little  
Just a little
