

# Tryin' to Get the Feeling Again

Barry Manilow

Doctor my woman is comin' back home late today  
Could you maybe give me somethin'?  
'Cause the feeling is gone and I must get it back right away  
Before she sees that I've been up down tryin' to get the feeling again All around tryin' to get the  
feeling again  
The one that made me shiver  
Made my knees start to quiver every time she walked in  
And I've looked high (high) low (low) everywhere I possibly can  
But there's no (no) tryin' to get the feeling again  
It seemed to disappear as fast as it came  
Where did it run to?  
I thought I'd done all that I could  
Just to keep the love light burnin' But whatever I've done  
I guess I just haven't done it too good  
'Cause all that's left is  
I've been up down tryin' to get the feeling again All around tryin' to get the feeling again  
The one that made me shiver  
Made my knees start to quiver every time she walked in  
And I've looked high (high) and low (low) And everywhere I possibly can  
But there's no (no) tryin' to get the feeling again  
It seemed to disappear as fast as it came  
And I've been lookin' I've been lookin' I've been lookin'  
I've been up (up) I've been down (down) and tryin' to get the feeling  
I've been up (up) I've been down (down) I've been tryin' to get  
I've been tryin' I've been tryin' I've been tryin' to get the feeling  
I've been tryin' to get the feeling again  
I want to get that feeling  
I want to get that feeling  
I've got to get that feeling  
I've gotta get that feeling again (up) and again (down) and again (tryin' to get the feeling) and  
again  
Been tryin' to get the feeling  
(up down)  
I been tryin' to get the feeling again...
