Time Is Love

Josh Turner

I know I gotta put in the hours

Make the money while the sunlight shines

But anything I gotta get done

It can get done some other time

Time is love

Gotta runLove to hang out longer but I got someone

Who waits

Waits for me and right now she's where I need to be

Time is love

Gotta runI only get so many minutes
Don't wanna spend 'em all on the clock

In the time that we've spent talkin' How many kisses have I lost

Time is Love

Gotta run

Love to hang out longer but I got someone

Who waits

Waits for me and right now she's where I need to be

Time is love

Gotta run

Gotta Fly, fly

Before one more moment gets by Time is love

Gotta Run

Love to hang out longer but I got someone

Who waits

Waits for me and right now she's where I need to be Time is love

Gotta run

Love to hang out longer but I got someone

Who waits

Waits for me and right now she's where I need to be

Time is love

Gotta run

Time is love

Gotta run
