

# Would You Be So Kind

## dodie

I have a question  
It might seem strange  
How are your lungs?  
Are they in pain? Cause mine are aching  
Think I know why  
I kinda like it though  
You wanna try? Oh, would you be so kind  
As to fall in love with me?  
You see, I'm trying  
I know you know that I like you  
But that's not enough  
So if you will  
Please fall in love  
I think it's only fair  
There's gotta be some butterflies somewhere (wanna share?)  
Cause I like you but that's not enough  
So if you will  
Please fall in love with me  
Let's write a story  
Be in my book  
You got to join me on my page  
At least take a look Oh, where are your manners?  
You need some time?  
Let's swap chests today  
That might help you decide Oh, would you be so kind  
As to fall in love with me?  
You see, I'm trying  
I know you know that I like you  
But that's not enough  
So if you will  
Please fall in love  
I think it's only fair  
There's gotta be some butterflies somewhere (wanna share?)  
Cause I like you but that's not enough  
So if you will  
Please fall in love with  
Meeeee  
Ahoooo  
Oh, do me a favour  
Can your heart rate rise a little? Do me a favour  
Can your heart rate rise a little? Oh, would you be so kind  
As to fall in love with me?

You see, I'm trying  
I know you know that I like you  
But that's not enough  
So if you will  
Please fall in love  
I think it's only fair  
There's gotta be some butterflies somewhere (wanna share?)  
Cause I like you but that's not enough  
So if you will  
Please fall in love with  
Me
