You Told Me That You Loved Me

Tommy Bolin

You told me that you loved me, and that ain't no lie.
No one else above me, no matter how hard you try.
Then I notice somethin' went wrong,
My love for you is much too strong.
I feel somethin' is wrong.
No matter how hard I try.
But I know my baby loves me, that ain't no lie.
She'll be thinkin' of me, done the best do or die.
Then I know somethin' went wrong,
My love for you is much too strong.
I feel somethin' is wrong.
No matter how hard I try, tears I should cry.
Then I noticed somethin' went wrong,
My love for you is much too strong.
Then I noticed somethin' went wrong,
So babe, I'll end this song.
