

# Hypocrite

[Skye Sweetnam](#)

Bubble gum brainiac, baby girl, ultra brat  
Angst Schmangst, no thanks, hope my record doesn't tank  
Sailor moon, Rainbow Bright, Anime, Avril lite  
Pro tools all the way, hey hey hey hey Don't try to label me hypocrite  
'Cause I will do what I want to  
Some will say that I'm counterfeit  
But I will be who I want to Candy floss, anti pop, star search, lollipop  
Manufactured skate punk, wanna be, never was  
Nerd, geek, super freak, I'm a movie of the week  
Daddy's girl, teacher's pet, yeah yeah yeah yeah Don't try to label me hypocrite  
'Cause I will do what I want to  
Some will say that I'm counterfeit  
But I will be who I want to  
Don't try to label me hypocrite  
Don't try to label me hypocrite I will do what I want to  
I will do what I want to  
I will do what I want to  
I will do what I want to Don't try to label me hypocrite  
'Cause I will do what I want to  
Some will say that I'm counterfeit  
But I will be who I want to Some will look at me and vomit  
But I will look how I want to  
Some will hear me and not get it  
But I will say what I want to Don't try to label me hypocrite  
Don't try to label me hypocrite  
I will do what I want to  
I will do what I want to  
I will do what I want to  
I will do what I want to I will do what I want to  
I will do what I want to  
I will do what I want to  
I will do what I want to
