

# Missing You Now (feat. Kenny G)

Michael Bolton

I talk to you but it's not the same  
As touchin' you  
And every time you whisper my name  
I wanna run to you We'll be together  
It won't be long, it won't be long  
But it feels like forever  
And its hard to be strong  
Baby 'cause I'm missing you now  
And its drivin' me crazy, how I'm needin' you baby  
I'm missing you now  
Can't wait till I'm alone with you To show you how I'm missing you now  
Wishin' you were here by my side  
Is all that I can do  
My arms around my pillow at night  
They should be holdin' you  
Thought I was stronger  
How could I know, how could I know  
I can't take this much longer It's so hard on my soul  
Baby 'cause I'm missing you now And its drivin' me crazy, I gotta be with you baby  
I'm missing you now  
Don't know what I'm gonna do  
The way I'm missing you now Baby I just can't wait, till I see your face  
Chase away this loneliness inside  
you're close to my heart, right here in my arms  
Then and only then, will I be satisfied  
I'm missing you now  
I know, we'll be together  
It won't be long, it won't be long  
But it feels like forever  
And its hard to be strong  
Baby 'cause I'm missing you now  
And its drivin' me crazy, how I'm needin' you baby  
I'm missing you now Can't wait till I'm alone with you  
To show you how I'm missing you now  
Missing you, missing you  
Baby I should be holding you, kissing you  
I'm just missing you now Don't know what I'm gonna do  
The way I'm missing you  
Missing, missing you now  
And it's driving me crazy  
How I'm needing you baby  
I'm just missing you now
