In for the Kill

La Roux

We can fight our desires Ooooh but when we start making fires We get ever so hot Ooooh whether we like it or not They say we can love who we trust Ooooh but what is love without lust? Two hearts with accurate devotions Ooooh but what are feelings without emotions? I'm going in for the kill I'm doing it for a thrill Oh I'm hoping you'll understand and not let go of my hand I'm going in for the kill I'm doing it for a thrill Oh I'm hoping you'll understand and not let go of my hand I hang my hopes out on the line Ooooh will they be ready for you in time? If you leave them out too long Ooooh they'll be withered by the sun Full stops and exclamation marks Ooooh my words stumble before I start Oooooooh How far can you send emotions? Ooooh can this bridge cross the ocean? I'm going in for the kill I'm doing it for a thrill Oh I'm hoping you'll understand and not let go of my hand I'm going in for the kill I'm doing it for a thrill Oh I'm hoping you'll understand and not let go of my hand Let's go to war to make peace Let's be cold to create heat I hope in darkness we can see And you're not blinded by the light from me Oooooh Oooooh Oooooh Ooooooooooh I'm going in for the kill I'm doing it for a thrill Oh I'm hoping you'll understand

and not let go of my hand
