

Brand New Day

Joshua Radin

Some kind of magic
Happens late at night
When the moon smiles down at me
And bathes me in its light I fell asleep beneath you
In the tall blades of grass
When I woke the world was new
I never had to ask It's a brand new day
The sun is shining
It's a brand new day
For the first time in such a long long time
I know I'll be OK
Most kind of stories
Save the best part for last
And most stories have a hero who finds
You make your past your past
Yeah you make your past your past It's a brand new day
The sun is shining
It's a brand new day
For the first time in such a long long time
I know I'll be OK This cycle never ends
You gotta fall in order to mend
It's a brand new day
It's a brand new day
For the first time in such a long long time
I know I'll be OK
