Brand New Day

Joshua Radin

Some kind of magic Happens late at night When the moon smiles down at me And bathes me in its lightI fell asleep beneath you In the tall blades of grass When I woke the world was new I never had to askIt's a brand new day The sun is shining It's a brand new day For the first time in such a long long time I know I'll be OK Most kind of stories Save the best part for last And most stories have a hero who finds You make your past your past Yeah you make your past your pastIt's a brand new day The sun is shining It's a brand new day For the first time in such a long long time I know I'll be OKThis cycle never ends You gotta fall in order to mend It's a brand new day It's a brand new day For the first time in such a long long time I know I'll be OK
