

Unknown Caller

U2

Sunshine, sunshine

Sunshine, sunshine

Oh, oh

Oh, oh I was lost between the midnight and the dawning
In a place of no consequence or company
Three-thirty-three when the numbers fell off the clock face
Speed dialing with no signal at all

Go, shout it out, rise up

Oh, oh

Escape yourself, and gravity
Hear me, cease to speak that I may speak
Shush now

Oh, oh Force quit and move to trash
I was right there at the top of the bottom
On the edge of the known universe where I wanted to be
I had driven to the scene of the accident
And I sat there waiting for me
Restart and re-boot yourself

You're free to go

Oh, oh Shout for joy if you get the chance
Password, you enter here, right now

Oh, oh

You know your name so punch it in
Hear me, cease to speak that I may speak

Shush now

Oh, oh Don't move or say a thing
