

# I Just Call You Mine

Martina McBride

I pinch myself sometimes to make  
sure I'm not in a dream. That's how  
it seems, I close my eyes and  
breath in the sweetest moments  
I've ever known

It feels like home, and here  
I am I wanna be your everything  
There you are turning winter  
into spring.

And everyone that sees you  
always wants to know you  
And everyone that knows you  
always has a smile  
Your standing ovation  
after years of waiting  
for a chance to finally Shine.  
Everyone calls you amazing  
yeah-eh

I Just call you mine I fall apart, just a word from you  
some how seems to fix, whatever's  
wrong ohh

You reach into the weakest  
moments and remind me that I'm  
strong

You've gotta know  
I'd be a fool, not to see your  
even worse

To forget that your more than  
I deserve Cause everyone that sees you  
always wants to know you  
And everyone that knows you  
always has a smile  
Your standing ovation  
after years of waiting  
for a chance to finally Shine.  
Everyone calls you amazing

I Just call you mine Nothin' makes sense  
when you're not here  
as if my world disappears  
without you what's the point  
of it Cause everyone that sees you  
always wants to know you

And everyone that knows you  
always has a smile  
Your the dream that I've been  
chasin'  
after years of waiting  
for a chance to finally Shine.  
Everyone calls you amazing  
I Just call you mine  
Everyone calls you amazing  
yeah yeah yeah  
I just call you mine
