

Unorthodox (feat. Example)

Wretch 32

[Wretch 32 - Verse 1]

Yea, I got a good heart
I was born on beat, that's a good start
I had a feeling I pushed past
And now I feel like I'm the reason I should last
And I move like my shit don't sink
But I'm all in a trance no hit no assist
This is all from the heart intro no script
I'm just about writing it down
So now I don't sleep man I miss those nights
I take planes like trains I don't miss no flights
I'm the type of guy that will have no life
Just so I can shine like this gold life
And that sounds sad but I'm happy
And the only plans to stay scatty
Yea unorthodox, I made the bar so I call the shots

[Chorus - Example]

We don't follow no crowd, they follow us
Don't follow no sound it follows us
Go sit in hell, look down that wishing well
Unorthodox, we call our own shots[Wretch 32 - Verse 2]

Yea I got a good vibe
I ain't tryna be bait with my hook lines
I had a feeling I could fly
Before I hopped on a plane or a new sky
Yea I'm a good guy
And if you heard otherwise it's a true lie
I'm hype I don't do shy
I bark up every tree and I do bite
Syke I'm only playing
We all got freedom of speech I'm only saying
I ain't got time for beef I'm on the way in
So the 8th day of the weeks my own lay in
And that's sounds said but I'm happy
But the only plans to stay scatty
Yea unorthodox, I made the bar so I take the shots[Chorus]

We don't follow no crowd, they follow us
Don't follow no sound it follows us
Go sit in hell look down that wishing well
Unorthodox we call our own shots
No one can hold us down again
No one will touch our crown again
No one can hold us down again

No one will touch our crown again[Chorus x2]

We don't follow no crowd, they follow us

Don't follow no sound it follows us

Go sit in hell, look down that wishing well

Unorthodox, we call our own shots
