History (feat. Alton Eugene)

Maverick City Music

You and I
We've got history
We go way way backWe go way way backNa na na
Na na na na na naI'm never gonna let you go
I'm never gonna let you go
I'm never gonna let you go
I never have, I never will
Nothing can separate us
Nothing can separate us
Nothing can separate usYou and I
We've got history
We go way way back
We go way way backYou've always had my back
You and I
We've got history
We go way way back
We go way way back
