

# Ballad of Dwight Fry

## Alice Cooper

"Mommy, where's daddy?  
He's been gone for so long  
Do you think he'll ever come home?"  
I was gone for fourteen days  
I could've been gone for more  
Held up in the intensive care ward  
Lying on the floor  
I was gone for all those days  
But I was not all alone  
I made friends with a lot of people  
In the danger zone  
See my lonely life unfold  
I see it every day  
See my only mind explode  
Since I've gone away  
I think I lost some weight there  
And I, I'm sure I need some rest  
Sleeping don't come very easy  
In a straight white vest  
Sure like to see that little children  
She's only four years old, old  
I'd give her back all of her play things  
Even, even the ones I stole  
See my lonely life unfold  
I see it everyday  
See my lonely mind explode  
When I've gone insane  
I wanna get outta here  
I wanna get outta here  
I, I've gotta, I've gotta get outta here  
I, I gotta get out of here  
I, I gotta get outta here, I gotta get outta here, I gotta get outta here  
I gotta get out of here  
Ya gotta let me out, I gotta  
Let me, I gotta  
I gotta get out, I gotta  
Let me out, I gotta  
I gotta get outta here  
I gotta get outta here  
I gotta get outta here, I gotta get outta here, I gotta get outta here  
See my lonely life unfold  
I see it everyday

See my only mind explode  
Blow up in my face  
I grabbed my hat and I got my coat  
And I, I ran into the street  
I saw a man that was choking there  
I guess he couldn't breathe  
Said to myself this is very strange  
I'm glad it wasn't me  
But now I hear those sirens callin'  
And so I am not free  
(I didn't wanna be)  
(I didn't wanna be)  
(I didn't wanna be)  
See my lonely life unfold  
(I didn't wanna be)  
(I didn't wanna be)  
(Leave me alone, I didn't wanna be)  
(Don't touch me!)  
See my lonely mind explode  
When I've gone insane
