

# And This Is What the Devil Does

## My Life With the Thrill Kill Kult

My Life With The Thrill Kill Kult  
And This Is What The Devil Does  
And this is what the devil does  
And this is what the devil does  
And this is what the devil does  
And this is what the devil does  
And this is what the devil does  
And this is what the devil does  
You liars... repent  
And this is what the devil does  
And this is what the devil does  
And this is what the devil does  
You liars... repent  
Our lord and master  
Our lord and master  
You know I must be crazy  
To show this as my way of living  
I find that it's easy  
Cutting up the pieces  
Get outta here  
Our lord and master  
Get outta here  
Our lord and master  
This man say  
I have needed  
To mend my unholy life  
I fall to my knees praying  
I find it hard and easy  
Get outta here  
Get outta here  
Get outta here  
Get outta here  
My life with the Thrill Kill Kult  
My life with the Thrill Kill Kult  
My life with the Thrill Kill Kult  
My life with the Thrill Kill Kult  
And this is what the devil does
