Listen, whenever youâ€™re so close it brings back those memories the way it shoulda been
simplest time in my life but u werenâ€™t meant for me tears come rapidly
Land although u tell me u love I canâ€™t imagine u as part of my day the way my life keepson
changing u need attention I canâ€™t do it ur way I gotta go(Chorus)
If I take away love
If I take away love
If I get up leave
would that be enoughWe said weâ€™d let it go take some time to get over us but that jus aint
enough no
Still wanna come around hoping I can make some time
Messing with my mindYou want this love I cant give ya
No between the sheets boy
I made this Bed
Try as u may I ainâ€™t trippin Sex is over Iâ€™d rather sleep instead boy I gotta go
CHORUS
Nar it ainâ€™t enough listen
U got me Up all night up all day
Tryna figure out what I gotta to say
I can tell u this the hard or the easy way
Tryna tell u that I donâ€™t really want babe
I donâ€™t need the stress or need the drama
U cud Save the bullshit for ur mum
I now it hard to deal but listen itâ€™s the truth
What u rather dis or me straight lying to u
See now we gotta work on ur acceptance dear

Listen u shud just accept dis here
I move on
Took away love I took away you now I took away us yo
Chorus
