

# Forever and Ever

Demis Roussos

Ever and ever, forever and ever you'll be the one  
That shines in me like a morning sun  
Ever and ever, forever and ever you'll be my spring  
My rainbow's end and the song I sing  
Take me far beyond imagination  
You're my dream come true, my consolation  
Ever and ever, forever and ever you'll be my dream  
My symphony, my own lover's theme  
Ever and ever, forever and ever my destiny  
Will follow you eternally  
Take me far beyond imagination  
You're my dream come true, my consolation  
Ever and ever, forever and ever you'll be the one  
That shines in me like the morning sun  
Ever and ever, forever and ever my destiny  
Will follow you eternally
