Just So You Know

Jesse McCartney

I shouldn't love you but I want to I just can't turn away I shouldn't see you but I can't move I can't look awayAnd I don't know How to be fine when I'm not 'Cause I don't know How to make a feeling stopJust so you know This feeling's takin' control Of me and I can't help it I won't sit around I can't let him win now Thought you should know I've tried my best to let go Of you but I don't want to I just gotta say it all before I go Just so you knowIt's gettin' hard to be around you There's so much I can't say Do you want me to hide the feelings And look the other awayAnd I don't know How to be fine when I'm not 'Cause I don't know How to make a feeling stopJust so you know This feeling's takin' control Of me and I can't help it I won't sit around I can't let him win now Thought you should know I've tried my best to let go Of you but I don't want to I just gotta say it all before I go Just so you knowThis emptiness is killin' me And I'm wonderin' why I've waited so long Lookin' back I realize it was always there Just never spokenI'm waitin' here Been waitin' hereJust so you know This feeling's takin' control Of me and I can't help it I won't sit around I can't let him win now Thought you should know I've tried my best to let go Of you but I don't want to

Just gotta say it all before I go
Just so you know, just so you know
Thought you should know
I've tried my best to let go
Of you but I don't want to
Just gotta say it all before I go
Just so you know, just so you know
