MOD SUN

I wanna runaway with you Runaway with youYeah, she a goddess Uh, yeahRunaway with you Runaway with you She a goddess She a goddess I'm just being honest Runaway with me I swear goddess 'Cause you the finest Deserve the finest They'll never find us on an island We'll be smiling We'll be shining We'll be styling On and every summer Make up for every bummer I'll treat you like you undiscovered Never find a better lover And that's a promise Time is upon us
