

# Everything Is Fine

Josh Turner

I got a home down on the river  
I'm married to the woman of my dreams  
Got a good truck that gets me down the highway  
Everything is perfect or so it seems  
Momma and daddy come by sometimes  
And everything is fine  
My old dog does a little singing  
Late at night when the moon gets bright  
Sunday morning hear the church bells ringing  
Let us go and see who's getting baptized  
We gonna take us a Sunday drive  
Cause everything is fine  
Everything is fine, fine, fine  
Through the sunshine and the rain  
I got a peace of mind  
You know I can't complain  
I make it a point to thank the Lord  
When I got Him on the line  
I'm feeling good and everything is fine  
Got the same job down at the warehouse  
Ain't never been rich but I sleep at night  
Got a little girl that looks like her mamma  
She likes it when her daddy tucks her in real tight  
One night this week we're gonna have a fish fry  
Cause everything is fine, fine, fine  
Through the sunshine and the rain  
I got a peace of mind  
You know I can't complain  
I make it a point to thank the Lord  
When I got Him on the line  
I'm feeling good and everything is fine  
Wahoo! I make it a point to thank the Lord  
When I got Him on the line  
I'm feeling good and everything is fine  
I'm feeling good and everything is fine
