

No Place Like Home (feat. Rationale)

Jakwob

When you're lonely
Do you think of me
And the way you used to love me
And the way you used to love me
When you're lonely
Do you toss and turn in the night
Is the grass still as green as you thought it was
Are you thinking in the back of your mind
There ain't no place like home
There ain't no place like home
Click your heels and go
There ain't no place like home
It's been a whole year
And I still feel the same for you
Baby, we had to away
To understand there ain't no substitute
For what we have is written
And we can fight it as much as we like
But at the end of the day
You cannot ignore the voice inside
There ain't no place like home
There ain't no place like home
Click your heels and go
There ain't no place like home
I won't be waiting for you
I won't be waiting for you
I won't be waiting for you
Ain't no place like home
There ain't no place like home
There ain't no place like home
Click your heels and go
There ain't no place like home
