

# Stand By Me

## Oasis

Made a meal and threw it up on Sunday  
I've got a lot of things to learn  
Said I would and I'll be leaving one day  
Before my heart starts to burn So what's the matter with you?  
Sing me something new... Don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Times are hard when things have got no meaning  
I've found a key upon the floor  
Maybe you and I will not believe in the things we find behind the door So what's the matter with  
you?  
Sing me something new... Don't you know  
The cold and wind and rain don't know  
They only seem to come and go away  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be) If you're leaving will  
you take me with you  
I'm tired of talking on my phone  
There is one thing I can never give you  
My heart will never be your home So what's the matter with you?  
Sing me something new... Don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be)  
The way it's gonna be, yeah  
Maybe I can see, yeah... Don't you know  
The cold and wind and rain don't know  
They only seem to come and go away Hey, hey! Stand by me (nobody knows the way it's gonna  
be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows the way it's gonna be)  
Stand by me (nobody knows, yeah, nobody knows the way it's gonna be)
