

It Ends Tonight

The All-American Rejects

Your subtleties
They strangle me, I can't explain myself at all
And all the wants
And all the needs all I don't want to need at all
The walls start breathing, my minds unweaving
Maybe it's best you leave me alone A weight is lifted
On this evening
I give the final blow When darkness turns to light
It ends tonight
It ends tonight A falling star
Least I fall alone
I can't explain what you can't explain
Your finding things that you didn't know
I look at you with such disdain
The walls start breathing
My minds unweaving
Maybe it's best you leave me alone A weight is lifted
On this evening
I give the final blow When darkness turns to light
It ends tonight
It ends tonight Just a little insight
Won't make this right
It's too late to fight
It ends tonight
It ends tonight
Now I'm on my own side
It's better than being on your side
It's my fault when your blind
It's better that I see it through your eyes
All these thoughts locked inside Now you're the first to know
When darkness turns to light It ends tonight
It ends tonight Just a little insight
Won't make this right
It's too late to fight It ends tonight
It ends when darkness turns to light
It ends tonight
It ends tonight
Just a little insight
Won't make this right
It's too late to fight
It ends tonight
It ends tonight

Tonight, tonight
Darkness turns to light
It ends tonight
