

# It Ends Tonight

## The All-American Rejects

Your subtleties  
They strangle me, I can't explain myself at all  
And all the wants  
And all the needs all I don't want to need at all  
The walls start breathing, my minds unweaving  
Maybe it's best you leave me alone A weight is lifted  
On this evening  
I give the final blow When darkness turns to light  
It ends tonight  
It ends tonight A falling star  
Least I fall alone  
I can't explain what you can't explain  
Your finding things that you didn't know  
I look at you with such disdain  
The walls start breathing  
My minds unweaving  
Maybe it's best you leave me alone A weight is lifted  
On this evening  
I give the final blow When darkness turns to light  
It ends tonight  
It ends tonight Just a little insight  
Won't make this right  
It's too late to fight  
It ends tonight  
It ends tonight  
Now I'm on my own side  
It's better than being on your side  
It's my fault when your blind  
It's better that I see it through your eyes  
All these thoughts locked inside Now you're the first to know  
When darkness turns to light It ends tonight  
It ends tonight Just a little insight  
Won't make this right  
It's too late to fight It ends tonight  
It ends when darkness turns to light  
It ends tonight  
It ends tonight  
Just a little insight  
Won't make this right  
It's too late to fight  
It ends tonight  
It ends tonight

Tonight, tonight  
Darkness turns to light  
It ends tonight
