

# Innocent Man

## Rag'n'Bone Man

I've been a victim of some sorry circumstance  
That was committed by somebody else's hand  
And only heaven knows how I've ended up so broke  
I ain't guilty but I'm left fearing the stand  
It's not my crime, so why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing  
My heart don't understand  
It's beating for an innocent man  
How was I supposed to know that I'd be fooled?  
And the sweetest kiss could ever be so cruel  
I could always let it go, but it's out of my control  
Now I'm right back here still holding on to you  
It's not my crime, so why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing  
My heart don't understand  
It's beating for an innocent man  
Man, man  
Man, man  
Wanting, to meeting  
Cut me, I'm bleeding  
This heart keeps on beating  
For you  
It's not my crime, so why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing  
My heart don't understand  
It's not my crime, so why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing  
My heart don't understand  
It's beating for an innocent man  
Ooh...
