

# Seven Days (feat. George Benson)

Mary J. Blige

I've been searching for someone  
But never looked before my eyes  
There you were to my surprise  
It was so obvious looking into your face  
After playing a game of truth or dare  
I wanted to stay at your place  
I never thought that I  
Would fall in love with you  
But since the day we kissed  
I knew it had to be you  
I never thought that we would be together  
I can't believe I just made love to you  
After all the things that we've been through  
Now what are we gonna do  
Chorus:  
Monday, a friend of mine  
Tuesday, we played a game  
Wednesday, you went away  
Thursday, things weren't the same  
On Friday, you came back  
I wanted to kiss you on Saturday  
But Sunday we made love  
Now what are we gonna do  
(Listen, Listen)  
Dont claim yo ass is ready...(remix!)  
When you're not,  
Cause if you play me, Ill...  
I'll blow up your spot.  
And I dont care where you are (uh huh)  
Or what you say (uh huh)  
Or what you do...  
And I dont care who youre wit,  
It could be yo bitch or even your... crew...  
I never thought that I...  
Would have to step to you...  
Didnt wanna do this,  
But this conversation is due!  
Now, if you try to front wit me,  
I'll do some shit to you.  
I can't believe I just made love to you  
After all the things that we've been through  
Now what are we gonna do  
Chorus  
On Thursday things weren't the same

On Friday you came back  
I wanted to kiss you  
Sunday we made love  
What are we gonna do?  
What are we gonna do?Monday  
Things weren't the same  
On Sunday we made sweet, sweet love  
Tuesday we played a game  
But Sunday we made love  
Now what are we gonna do?Chorus
