

California Stars

Billy Bragg & Wilco

I'd like to rest my heavy head tonight
On a bed of California stars
I'd like to lay my weary bones tonight
On a bed of California stars
I'd love to feel your hand touching mine
And tell me why I must keep working on
Yes, I'd give my life to lay my head tonight
On a bed of California stars I'd like to dream my troubles all away
On a bed of California stars
Jump up from my starbed and make another day
Underneath my California stars
They hang like grapes on vines that shine
And warm a lover's glass like a friendly wine
So, I'd give this world
Just to dream a dream with you
On our bed of California stars
I'd like to rest my heavy head tonight
On a bed of California stars
I'd like to lay my weary bones tonight
On a bed of California stars
I'd love to feel your hand touching mine
And tell me why I must keep working on
Yes, I'd give my life to lay my head tonight
On a bed of California stars I'd like to dream my troubles all away
On a bed of California stars
Jump up from my starbed and make another day
Underneath my California stars
They hang like grapes on vines that shine
And warm a lover's glass like a friendly wine
So, I'd give this world
Just to dream a dream with you
On our bed of California stars
So, I'd give this world
Just to dream a dream with you
On our bed of California stars (Dream a dream with you)
