California Stars

Billy Bragg & Wilco

I'd like to rest my heavy head tonight On a bed of California stars I'd like to lay my weary bones tonight On a bed of California stars I'd love to feel your hand touching mine And tell me why I must keep working on Yes, I'd give my life to lay my head tonight On a bed of California starsI'd like to dream my troubles all away On a bed of California stars Jump up from my starbed and make another day Underneath my California stars They hang like grapes on vines that shine And warm a lover's glass like a friendly wine So, I'd give this world Just to dream a dream with you On our bed of California stars I'd like to rest my heavy head tonight On a bed of California stars I'd like to lay my weary bones tonight On a bed of California stars I'd love to feel your hand touching mine And tell me why I must keep working on Yes, I'd give my life to lay my head tonight On a bed of California starsI'd like to dream my troubles all away On a bed of California stars Jump up from my starbed and make another day Underneath my California stars They hang like grapes on vines that shine And warm a lover's glass like a friendly wine So, I'd give this world Just to dream a dream with you
