

# Someday

## John Legend

As days go by  
And fade to nights  
I still question  
Why you left  
I wonder how  
It didn't work out  
But now you're gone  
And memories  
All I have for now  
But no it's not over  
We'll get older  
We'll get over  
We'll live  
To see the day  
That I hope for  
Come back to me  
I still believe that  
We'll get it right again  
We'll come back  
To life again  
We won't say  
Another goodbye again  
You'll live  
Forever with me  
Someday, someday  
We'll be together  
Someday, someday  
We'll be together  
I heard someday  
Might be today  
Mysteries of destinies  
They are somehow  
And are someday  
For all we know  
They come tomorrow  
For today  
My eyes are open  
My arms are raised  
For your embrace  
My hands  
Are here to mend  
What is broken  
To feel again  
To walk on the face  
I believe there  
Is more to life  
Oh, I love you  
Much more  
Than life

And still I believe  
I can change your mind  
Revive  
What is dying inside  
And someday, someday We'll be together  
Someday, someday  
We'll be together  
Someday, someday  
We'll be together  
We'll be together  
We'll be together  
Someday
